A WORD ABOUT THE ASCENSION: The Ascension of Christ is his liberation from all restriction of time and space. It does not represent his removal from the earth, but his constant presence everywhere on earth. During his earthly ministry he could only be in one place at one time. If he was in Jerusalem he was not in Capernaum; if he was in Capernaum he was not in Jerusalem. But now he is united with God, he is present wherever God is present; and that is everywhere. Because he is in heaven, he is everywhere on earth; because he is ascended, he is here now. In the person of the Holy Spirit he dwells in his Church, and issues forth from the deepest depths of the souls of his disciples, to bear witness to his sovereignty.
