

New Haven Health Department
Prevent. Promote. Protect.

January, 2021

Dear New Haven Faith Leader,

We are writing today, to ask for your assistance in spreading the word to your congregation on the importance of receiving the COVID-19 Vaccine when they become eligible. The vaccines are currently being rolled out in a phased, four-part immunization campaign. For more information on the phases you can visit: <https://portal.ct.gov/Coronavirus/covid-19%20vaccinations/>

Currently we are on phases 1a & 1b. Individuals who are 75 years and older can sign up now to receive the vaccine. Enclosed, please find COVID-19 Vaccine Information Cards in English and Spanish for distribution to your members who are 75 or older.

It is also important that we continue to practice the three W's – Wear a Mask, Watch Your Distance and Wash Your Hands. If you are experiencing COVID symptoms, or have had exposure to someone with the virus, please get tested at one of the free testing sites throughout the City.

The Health Department is also available to answer any questions or address concerns that you or your members may have. Please call 203-946-6999 or visit the City's COVID Website: <http://covid19.newhavenct.gov/> for more information.

Stay Safe New Haven.
